COMMENTS *Backgrounded, Weaned*

A good load of turn-out cattle that will be carrying just a grass flesh. There are 100 steers to pick from for the load. Calves were purchased as 3 & 4-weights from the local barn and put out on grass. They have been double vaccinated, dewormed twice, and were not implanted. They are moved about every other day and are very docile. They will all be about #1.5 muscling and carrying a light grass flesh. A good set of cattle that would work very well on grass.

COMMENTS *Home-Raised, All-Natural, BQA Certified*

A fancy load of all black/BWF steers. Calves are predominantly Angus-based with only a few baldies or calves carrying about 1/4 simmental, sired by Angus bulls, sons of Profit, New Day 454, and Impression. Cows were bred and raised on Mr. Sheek's farm. A few calves were weaned off heifers and young cows and are handfed a little each day (bunk broke). The rest are still on the momma cows. There are 200 calves to make two loads out of (split load is Lot 11). A very nice set of calves that would work well on grass.
